Patrons at CTDL have access to eBooks, audio books and more with Libby and hoopla. Let us know if you need more information or help accessing these amazing resources!

Special Collections: both libraries have several hotspot devices available to any card holding patrons of CTDL. These hotspots allow up to 5 devices to be connected to Wi-Fi at the same time (great for those trips you are planning so you don't need to use your online data plan).

Lots of great programming going on at CTDL. Check out the flyers below and, as always, information for all upcoming events, registration info, and more are updated daily on our website <https://crookedtree.ploud.net/>

CTDL Libraries will be closed Wednesday, November 26th and Thursday, November 27th so that our staff can enjoy the Thanksgiving holiday with family and friends. We wish you all a wonderful, relaxing November filled with good food, family, and lots of fun!

News from the Friends of Crooked Tree District Library

We are always looking for new members from the Boyne Falls and Walloon Lake communities. There are many opportunities to volunteer and support our awesome community libraries. Join us!

For more information or to join the Friends click [here](#).

The Friends of CTDL meet monthly, with the exception of December, at 10am on the second Monday of each month at Walloon Lake Library. Upcoming meetings will be November 10th and January 13th.

Volunteers are needed to help decorate both library branches for the holidays on Friday, December 5th. Please contact Susan Gilmette at her [email address](#) or call the library 231-535-2111 for more information.

Upcoming plans for FOL include the 25th Anniversary of the Walloon Lake Library building, which was made possible by the Mary K. Peabody Foundation, planning for the 2026 Library Lovers Dinner, and the 25th Anniversary of the Friends of Crooked Tree District Library.
